The Lesson of Experience.

The Lesson of Experience.

Table Editor:

From experience I would say that to gain a happy married life the couple should be within two or three years of the same age? Why? Because two people of the same age are more apt to agree and understand each other in custom and habit than a couple with a disparity of ten years.

For instance, a man of forty weels a From experience I would say that to gain a happy married life the couple should be within two or three years of the same age are more apt to agree and understand each other in custom and habit than a couple with a disparity of ten years.

For instance, a man of forty weels a From Editor:

Make John And New His business of the same age are more apt to agree and understand each other in custom and habit than a couple with a disparity of ten years.

For instance, a man of forty weels a From experience I would say that to go a large last night at the Fifth Avenus Theatre in last make the Fifth Avenus Theatre in last night at the Fifth Avenus Theatre in the proprience of the same age and Addrich, that was irresured has a war and Addrich and his company appeared has the Fifth Avenus Theatry in the print Avenus Theatry in the pr

For instance, a man of forty weeks a girl of twenty. She is young, fond of pleasure, company and dress, he is sedate and settled. He complains of expenses, then gets jealous—good-by happiness, comfort, home.

If a woman be sentor to her husband he soon tires of her and begins going out nights. This causes domestic troubles and often breaks up good comfortable homes.

sixty and a mother under forty, because they are constantly under fire from two callennes, which is not calculated to benefit them; and the great difference in ages

makes it unfortunate for all.

If, however, nothing but careless happiness and comfort is considered, and there is an unmistakable spontaneous outburst and inward feeling of genuine affection by both constantly adhered to and followed up, marriage will be found a anceess, no matter what their ages Houses Filled by "The City Directors by the constant of the constan

nay be,
For a woman of forty or over it matters of Opinion.

A Golden Prize the Inducement for Competing Short Essays.

For a woman of forty or ever it matters very little whether the husband is fifty five or seventy, for she generally marries for home and money, and he for a companion. In such cases the real romance and aim of young married life have departed, and stern reality having captured both hearts, they adapt themselves to circumstances fairly well. W. L. F.

> Of the Head as Well as of the Heart. Di the Editor :

It is said that marriages are made in near the same age, or should the heaven. According to my own experience miss Jennie Yeamans, Miss Judith Berold, and observation, the majority of them Miss Alice Leigh, Miss Marion Strickland are made on earth. They are made, too, and Miss Laura Burt. A review of the per-Every reader of THE EVENING WORLD between people who are too young to ap- formance will appear in THE EVENING preciate the seriousness of the cath that | World to-morrow night,

written on only one side of the paper and must be addressed to "The Marriage Age He has only love and marriage in mind, and does not look beyond the honey-moon. Scatched thereby, is able to master missessem. Walter Gale with his wonderful counts as easen. Walter Gale with his wonderful counts as a musing as ever. A boy quartet and a snow scene proved to be acceptable novelties.

If girls would follow this as their guide and remember that marriage is a thing of the head as well as of the heart, there would not be so many unhappy marriages.

The City Directory, "that whirlwind of farce began an engagement at the Bijon Theatre last night, and drew a crowd. The

When Old Enough to Choose.

To the Editor:

Dube, — Let still the woman take
An eider than frenell, so wears she to him;
So sways she level in bur husband's heart.
For, boy, however we do praise ourselves,
Our fancies are more giddy and unlim,
More longing, wavering, sooner lost and worn
Than women's are

Finke, — I think it well, my lord,
Or thy affection cannot hold the bent,
— Treelfth Night, Scene 4, Act 2.

The first conditions for a happy marriage may be conceded to be mutual love.

Only an ignorant or prejudiced person will maintain that a man should always wed his junior. Some of the happiest marriages on record are those in which the wife has been the elder.

Was not Cleopatra fourteen years older than Antony? And yet that was than Antony? And yet that was lostrier to a love which ended only in the process for the process f

Both parties to the contract should then be old enough to judge for themselves, Massuesite St. John.
